HAVING REGARD TO Politecnico di Milano’s Articles of Association;
HAVING REGARD TO Ministerial Decree 3.11.1999, no. 509;
HAVING REGARD TO Ministerial Decree 22.10.2004, no. 270;
HAVING REGARD TO the University's Educational Rules - Regulations;
HAVING REGARD TO the Regulation for 1st and 2nd level Specialising Masters, Post Graduate Courses and Continuing Education of Politecnico di Milano issued with Rector's Decree no. 0227162 of 04.10.2022;
HAVING ACQUIRED the favourable opinion of the Academic Senate during the meeting on 17.04.2023, on the establishment and activation of proposals for Specialising Masters, including the first level Specialising Master in “YACHT DESIGN”

DECrees

that the first level Specialising Master in “YACHT DESIGN” is established and activated for the years 2024/2025.

ART. 1
Master's features

The first level Specialising Master in “YACHT DESIGN” has been set up and activated at the Design Department.

The Academic Programme is provided by by POLI.design S.c.r.l. The reference the School of Design.

The Specialising Master's Director is Professor Andrea Ratti. The Vice Director is Professor Arianna Bionda, The Scientific Committee of the Specialising Master’s programme is made up by Professors from Politecnico di Milano: Andrea Ratti, Arianna Bionda, Silvia Elvira Maria Piardi, Matteo Oreste Ingaramo and Paolo Schito; by professor Massimo Musio Sale from University of Genova; professor Andrea Vallicelli from University of Chieti and professor Carlo Francesco Mario Bertorello from University of Naples Federico II.

ART. 2
Educational objective and employment opportunities

The Master in Yacht Design supplies the cultural and technical instruments in order to manage the planning and the constructive distance of a boat, sail and motor, from the project brief until the definition of the general plans, to the hydrostatic and hydrofoil calculations, to the preparation of the interior ones, the deck and the board equipments, to the system equipment, the production in shipyard and the central of its executive parts. Such skills allow to satisfy the strong professional vocation that the nautical field expresses currently, both about the required skills to the planning of yachts, its members and accessories, and about the management of the several steps of the production process.

Such skills allow to satisfy the strong professional vocation that the nautical field expresses currently, both about the required skills to the planning of yachts, its members and accessories, and about the management of the several steps of the production process. technical office; engineering; project management; production controller; quality controller; set planning.

The Programme will be delivered in English.
ART. 3
Teaching content and organisation

The Specialising Master’s will start in February 2024 and will end in February 2025.

The Master in Yacht Design of the Politecnico of Milan provides students with the tools needed to manage the design and construction process of both a sailing boat and a motorboat, from the design brief to defining the general plans, to the hydrostatic and hydrodynamic calculations to the interior fittings, of the roof and on-board equipment, to shipyard production and checking the final phases. On the one hand it collects and consolidates opportunities and resources developed by the University, with particular reference to skills in the fields of industrial design, fluid dynamics, mechanics, materials science, on the other hand it uses resources, experience and expertise acquired at a number of other Italian universities including: University "Federico II" of Naples, University of Catania and University of Chieti.

The master’s is a 60 ECTS programme and teaching will be organised as follows:

ART. 4
Admission requirements

The Master Course in Yacht Design is intended for candidates holding a bachelor/Master of Science, university diploma in architecture, engineering, industrial design and in economic subjects. For applicants holding foreign degrees, the equivalent qualifications of the respective university systems will be considered.

The maximum number of admitted students is 30. The selection process is carried out by the Scientific Committee.
ART. 5
Formal requirements

The **admission application** must be submitted to the managing authority starting from the day after the date of this Decree and by **5 December 2023**.

The admission application must state the following "I authorise this University, under EU Regulation no. 2016/679 on data protection, to process personal data only for purposes related to the Master’s admission, enrolment and management, and agree to the disclosure of my personal information to third parties, particularly:

- public and private entities interested in possible recruitment;
- to academic programme backers; Politecnico Treasurer for services related to tuition fees;
- to entities managing unsecured loans, housing, flexible employment contracts, cultural, recreational and/or sports activities.
- I authorise the use of the data for statistical purposes in respect of the procedures and authorisations required by the cited regulation.

The extended information on data processing and data subject rights is available on the website [www.polimi.it/privacy](http://www.polimi.it/privacy).

The admission documentation is available electronically in the SUBSCRIBE section of the page dedicated to the master through the following website [https://www.polidesign.net/](https://www.polidesign.net/).

The listed document below must be sent to:

**POLI.design S.c.r.l.**  
Via Don Giovanni Verità, 25  
20158 MILANO (MI)  
Phone: +39 0223997225  
email: selezioni@polidesign.net

* Italian/foreign citizens who graduated in Italy
  
  - copy of the identity document  
  - copy of the Diploma Supplement or photocopy of the degree diploma

* Italian/EU citizens with qualification gained abroad
  
  - copy of the identity document  
  - copy of the academic qualification obtained both in original language and translated  
  - copy of the certificate (both in original language and translated) showing the marks given in the individual exams or Diploma Supplement (during enrolment, the certificate of equivalence issued by the relevant area's Italian Representative abroad or certificate issued by the Enic/Naric Centres must be submitted)

Under Art. 75 of Italian Presidential Decree 445/2000, if the Administration, after carrying out suitable checks, finds that the content of the declarations made by the applicant is untrue, the declarant forfeits any benefits obtained by the measure issued based on the untrue declaration.

* Non-EU citizens who graduated abroad

Non-EU foreign citizens must submit the following to the Managing Authority:

- **copy of the degree** in the original language and its translation into Italian/English/French or Spanish  
- **copy of the transcripts** with the list of exams in the original language and their translation into Italian/English/French or Spanish or Diploma Supplement  
- **copy of a valid passport**
At least 30 days before the closing date of the registration period as indicated in this article.

The Managing Authority shall send the documentation listed above for the evaluation of qualifications, to participate in the Politecnico di Milano's Specialising Masters, Masters and Lifelong Learning Service by the closing date of this call for applications, under the MIUR/MAE note "Procedures for entry, residency and enrolment of international students and the respective recognition of qualifications, for higher education courses in Italy for the academic year 2023/2024" academic year."

**Following acceptance by the University, and only after confirming to the Managing Authority their participation on the Programme by the set methods, students must register on the Ministerial portal [https://www.universitaly.it](https://www.universitaly.it) informing the Managing Authority that the registration has been completed in order for the application to be sent to the Representative responsible for issuing the entry visa.**

**ENROLMENT METHOD:**

Students admitted to the Master’s Programme must create access credentials to Politecnico di Milano's online services on the website [www.polimi.it](http://www.polimi.it) They must then enter their details and create a **person code**, attaching a valid identity document (passport for non-EU citizens), and communicate their person code to the Master’s Managing Authority. Students already registered must update their personal details, if they are obsolete.

**Portal access credentials must be retained as they will be required to access all of Politecnico di Milano's services.** Lost access credentials may be autonomously restored or obtained through an OTRS ticket.

Politecnico creates a temporary student identification number to allow the student to pay the enrolment fee via online services.

The achievement of an Italian degree can be self-certified by completing the appropriate form provided by the Managing Authority. A degree obtained abroad must be documented by presenting a **declaration of value (DOV)** issued by the Italian Representative abroad (Italian Embassy or Consulate) on letterhead complete with its original stamp; or a **certificate issued by the Enic/Naric Centres.**

In addition to the above documentation, **non-EU citizens must upload a copy of a valid entrance document and residence permit on their online services personal data record.**

In order to be enrolled at Politecnico di Milano, regardless of the Master’s delivery modes (in person, online/distance learning), **non-EU citizens must upload a copy of a valid passport on their online services personal data record.**

**ART. 6**

**Degree and award recognitions**

**ISSUED CERTIFICATION**

Students admitted to the Master's final examination will pay the fee via the online services of Politecnico di Milano in order to be able to take the exam.

At the end of the Programme, upon completion of the course and after passing the final test, the student will be awarded the first level specializing Master in “Yacht Design”, in English language.

**STUDENT OBLIGATIONS**

Attendance is compulsory for at least 75 per cent of the programme activities.

Cancellation from the Programme must be made in writing. The training period may not be suspended for any reason.

**TESTING METHODS**

The verification of learning is carried out through tests and discussion of design projects. The final exam consists in the discussion of the projects carried out during the Specializing Master course and of the activity developed during the internship.
ART. 7
Tuition fees and contributions

The cost of this Specialising Master programme is €14,000.00 divided as follows:

- Politecnico di Milano enrolment fee is €500.00 per student.
- Participation fee is €13,500.00 per student

**Politecnico di Milano enrolment fee will not be refunded under any circumstances.**

Specifying as the reason for the payment: ID 2565 MU1 Yacht Design.

ART. 8
Personal data processing

Under EU Regulation no. 2016/679 on data protection, the University processes personal data only for purposes related to the master’s admission, enrolment and management, and you agree to the disclosure of your personal information to third parties, particularly:

- public and private entities interested in possible recruitment;
- to academic programme backers; Politecnico Treasurer for services related to tuition fees;
- entities managing unsecured loans, housing, flexible employment contracts, cultural, recreational or sports activities.
- I authorise the use of the data for statistical purposes in respect of the procedures and authorisations required by the cited regulation.

The extended information on data processing and data subject rights is available on the website www.polimi.it/privacy

ART. 9
Publication

This Decree is made public on Politecnico di Milano’s website at https://www-polimi-it/corsi/master-universitari-e-corsi-post-laurea/
